Section 1. The Employer shall insure the Federation and each employee covered by this Agreement reasonable access to an employee handbook and state policy manual of rules, regulations and policies on employment related matters that apply to bargaining unit members. The Federation shall be given written notification of any proposed changes or additions to such personnel rules, regulations and policies.

ARTICLE 17 **SEVERABILITY**

Section 1. In the event that any provision of this Agreement is declared invalid or unenforceable by a court of competent jurisdiction, such decision does not invalidate the entire Agreement, it being the expressed intention of the parties that all other provisions not declared invalid or unenforceable shall remain in full force and effect.

Section 2. When a provision is invalidated, as described above, the parties agree to submit the matter to negotiations should it be the desire of either party to renegotiate the matter.

ARTICLE 18 **TERM**

Section 1. This Agreement shall be effective on July 1, 2011, and shall remain in full force through June 30, 2013. (It is understood that for pay purposes the new contract rates become effective on the first pay periods of the school year that include the first day of October.)

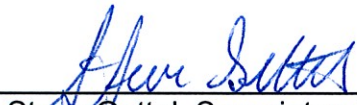

Section 2. Should either party seek to modify this Agreement, it shall give written notice of such intent no earlier than 120 days, nor later than 90 days prior to the expiration date of this Agreement. The parties agree to meet no later than February 1, 2013 to negotiate in good faith, economic issues of this Agreement before budget finalization. If the parties reach a tentative pre-budgeted agreement, such agreement shall be subject to legislative concurrence and funding.

Section 3. When the dispute between statewide unions representing state employees and the state of Montana regarding the inaction of the 2011 Montana State Legislature to not fund a duly negotiated state employee pay plan are resolved and there is funding available for such employee pay increases, the parties agree to resume contract negotiations on fiscal issues only within 30 calendar days of such resolution.

ADDENDUM B

RULES FOR ADMINISTERING TEACHERS' SALARIES

1. Teacher Employment Requirements

All teachers employed at Montana School for the Deaf and Blind shall meet the following minimum requirements:

- A. Educational Qualifications. A teacher shall possess a minimum of a Bachelor's degree from an accredited college or university. The degree shall be relevant to the subject area assigned.
- B. Certification. A teacher shall possess a teaching certificate/license or other required endorsement issued by the Office of Public Instruction (OPI) and shall furnish a copy of such certificate/license or endorsement to the school administration.

2. Contract Year

A contract year consists of approximately 180 teaching days plus 5 PIR days plus any annual leave and holidays to which the employee is entitled and is defined by the teaching calendar adopted by the Board of Public Education; however some contracts may be for terms less than or greater than the full teaching contract year. The schedules used to compensate teachers on contract for the full contract year are attached. Annual salaries for employees not under contract for the full contract year shall be determined as follows:

- A. Less Than Full Contract Year. An employee under contract for less than the full contract year shall have a prorated annual salary equal to the number of days contracted divided by the number of days in the full contract year times the appropriate salary on the teacher schedule.
- B. More Than Full Contract Year. An employee under contract for more than the full contract year shall have an annual salary equal to the number of days contracted divided by the number of days in the full contract year times the appropriate salary on the teacher schedule.
- C. Part-time Teachers. The salary of an employee contracting to work part-time shall be prorated to reflect the percent of time worked.

3. Teacher Salary Schedule

The attached salary schedule shall be used to compensate teachers and certain professional employees employed at Montana School for the Deaf and Blind.

4. Placement of Employees on the Schedule

New teachers, current employees, and certain professional employees will be placed on the schedule according to their education level and experience and legitimate hiring needs of the school. Management may credit experience to level so long as that does not result in a new employee being compensated at a rate of pay higher than that of an existing employee in a similar position requiring matching skills or training with the same number of years of experience and educational qualifications.

5. Advancement of Teachers on Addendum A-1

A. Educational Credit advancements

- (1) For salary purposes, each educational unit of recognized graduate study beyond a Bachelor's degree shall constitute no fewer than 15 quarter credits, no less than 10³ semester credits or the equivalent combination thereof. Quarter credits are converted to semester credits through multiplying by 0.666 (two thirds) and semester credits are converted to quarter credits through multiplying by 1.50 (one and one half).
- (2) Credits earned must have prior approval from the school administration before entering the educational process in order to assure receipt of salary credit for the following year. Credits will not be recognized for salary purposes until accepted by the school administration.
- (3) Credits beyond the required degree or endorsement shall be recognized for salary enhancement from one education level to the next on Addendum A-1 only if the credits pertain to the employee's assigned area of instruction or if credits are applied toward a higher degree in a related field, which means acceptance and graduate standing at a university or college.
- (4) Graduate credits applied to earning the Bachelor's degree may not be re-applied or used again to gain additional education credit dollars from the teacher salary schedule.
- (5) Moving from left to right, the salaries associated with the specified levels of acceptable post baccalaureate credit accumulation referenced in Addendum A-1 (Teachers' Salaries), increase three percent (3%). Effective July 1, 2007 the entry-level salaries for teachers possessing an approved master's degree (AMD) shall be increased \$3,000.00.

³ Completion (nine semester credits) of the "Summers Plus" program through the Idaho State University Masters in Deaf Education Curriculum or other such program as may be approved by the Superintendent shall be considered sufficient for advancement to the BA 15 QCH/10 SCH column.

(6) An employee may not advance more than one education unit (15 quarter or 10 semester college credit hours) in any one-contract year. However, a teacher may advance more than one educational unit to the MA column following receipt of a Masters' Degree. Educational advancement on the teacher salary schedule shall be granted only at the onset of a new school year.

6. Annual Driving Stipend for Outreach Consultants

Outreach consultants shall be provided a \$2,000 annual driving stipend.
